Affidavit of Spiritual Liability for Vehicle Travel

This Affidavit is made under the authority and within the spiritual jurisdiction of the Clements Private Trust, a Sovereign Ecclesiastical Trust operating under divine law, outside the scope of statutory, maritime, and commercial systems.

I, the undersigned, as a living man/woman and member of the Clements Private Trust, do hereby affirm and declare the following:

1. I accept spiritual care and stewardship over vehicles entrusted to me for travel, whether owned by the Trust or temporarily used with permission of another living man or woman.

2. I do not accept nor recognize legal or commercial liability over other persons' vehicles, passengers, or cargo. Responsibility for bodily injury, vehicular damage, or third-party claims rests solely with the individuals involved and their respective insurance or remedy systems.

3. The Clements Private Trust operates as a peaceful, non-belligerent spiritual jurisdiction. No member of the Trust engages in commerce or public contract through vehicle use.

4. Any incident occurring during travel shall be met with spiritual reflection and intercession. We invoke the Creator of the Universe for healing and protection for all involved.

5. This Trust and its members shall not be held liable under civil or corporate statutes for acts committed outside its spiritual jurisdiction. All travel conducted under this Trust is considered sacred and private by nature.

This affidavit is bound spiritually under the sacred covenant of the Clements Private Trust and carries no need for notarization or third-party verification. It is sealed in ecclesiastical authority under divine law.

Sealed in private ecclesiastical authority, no witness required.
